

## Mount Greylock Regional School & **MA Department of Public Health** POST SPORTS-RELATED HEAD INJURY

MEDICAL CLEARANCE AND **AUTHORIZATION FORM** 

| Student's Name                                    |                              | Sex             | Date of Birth     | Grade                     |  |  |  |
|---|------------------------------|-----------------|-------------------|---------------------------|--|--|--|
|   |                              |                 |                   |                           |  |  |  |
| Date of injury:                                   | Nature and extent of injury: |                 |                   |                           |  |  |  |
| Symptoms following injury (check all that apply): |                              |                 |                   |                           |  |  |  |
| Nausea or vomiting                                | □ Headaches                  |                 | □ Light/noise se  | □ Light/noise sensitivity |  |  |  |
| Dizziness/balance problems                        | Double/blurry vision         |                 | □ Fatigue         |                           |  |  |  |
| Feeling sluggish/"in a fog"                       | □ Change in sleep patterns   |                 | □ Memory problems |                           |  |  |  |
| Difficulty concentrating                          | Irritability/emotional u     | ps and downs    | □ Sad or withdra  | awn                       |  |  |  |
| Duration of Symptom(s):                           | Diagnosis: 🗆 Con             | cussion 🗆 Other | ·                 |                           |  |  |  |

The student must be completely symptom free at rest, during exertion, and with cognitive activity prior to returning to full participation in extracurricular athletic activities.

The student will not be cleared if the Return to Play information below is not complete. If concussion diagnosed, date student completed graduated return to play plan without recurrent symptoms:

- Students not involved in an interscholastic athletic program or not currently enrolled in PE must complete the Return to Play Protocol with the physician.
- Students involved in one of those programs will be required to complete the attached RTP protocol if no date is listed above.

Prior concussions (number, approximate dates):

## I HEREBY AUTHORIZE THE ABOVE NAMED STUDENT FOR RETURN TO ATHLETIC ACTIVITY
